

"Thank you for everything, my wedding at Simon Stone Hall on 6th December was perfect, and thank you especially for your patience in taming my unruly hair!

You made me feel really special on my wedding day and I'm really glad I kept the curls rather than getting them straightened as everyone else suggested.

Best wishes, Zoë Maher"

"I would have no hesitation in recommending Catherine Elizabeth's wedding hair services. Catherine took time to listen to my ideas and thoughts, and gave advice to help guide my decision as to what style to have. Catherine was friendly, efficient, professional, and even on the big day, worked tirelessly to ensure everything was perfect.

My hair was stunning on the day, and was the centre of much attention. Catherine's attention to detail and technical ability meant that even though there were gale-force winds, my hair stayed up all day and night! I know that I will look back at my photographs and still love my hairstyle in years to come. Thank you!"

"Hi Catherine, Happy New Year! We had a wonderful wedding! Thank you so much for all your hard work, we felt a million dollar's! The comments we got were amazing, when we entered the room we took people's breath away. You were extremely professional, a joy to work with and I would recommend you to anyone. The whole experience was fabulous. You get what you pay for in this world and I felt that I genuinely got value for money. My hair looked great the morning after!!

Thank you once again! Diane Papathanasiou"
